

## Snack/Supply Fee Agreement

2023-2024

- Parent's Day Out Parents are asked to provide a one-time \$50 supply fee to help with general craft supplies and cleaning supplies. This is due with your first tuition installment payment and will be invoiced at that time.
- Weekday Preschool parents are asked to provide two payments of \$50 to help with snacks, general classroom supplies and cleaning supplies. The first payment is due with your first tuition installment payment. The second fee will be invoiced in January.

The fee covers the cost of general school supplies for the classroom (glue, markers, crayons), cleaning supplies (Clorox Wipes, Lysol, hand sanitizer), and snacks (peanut/tree free).

The fee does allow us to purchase supplies in bulk, reducing costs and making sure classrooms are well-stocked throughout the year.

No student will be denied enrollment for failure to pay the snack/supply fees. If you are unable to pay the fees, would like to pay in installments or have any questions about the fee, please contact Ms. Missey, at [mmcmillan@smbclouisville.org](mailto:mmcmillan@smbclouisville.org).

Parents who can do so are invited to donate funds to help defray costs for families unable to pay the fee by marking your payment "2023-24 Preschool/ PDO Contribution" (check only). A donation to help others cover this cost is tax deductible.

I acknowledge and understand that I as parents are responsible for paying these snack/supply fees when they are billed to my account.
